

A large part of the success of the NWRCHA comes from the support we get from our Association sponsors. We offer a diverse Sponsorship Program that encompasses amounts from \$2,000 or more for a Major Show Sponsorship to \$170 for a Buckle Sponsorship. We have many sponsors that return year after year not only because of their love of the cow horse sport but also because they recognize the growth our club is experiencing and are pleased with the quality of events that we host. Our sponsors get recognition at each show from our announcer to banners, in all printed materials, on our web site (www.nwrcha.com) and new for 2017 is a video that is played at all of our shows with logos and information about all of our sponsors depending on the sponsorship level.

A report from "iEquine" for RainDancer Video in regards to our 2016 Summer Showdown provided the following statistics from the show:

1) Active Countries that viewed the event:	73
2) Page-Views:	16,877
3) New Users:	51%
4) Returning Users:	49%

Not only do our local members and interested parties watch our events but based on this report, the NW Reined Cow Horse Association is reaching far beyond our NW Area. Your name or Company name will be seen by a large number of people not only locally but around the world.

Please consider a Sponsorship with the NW Reined Cow Horse Association. We will do everything we can to ensure you and/or your Company get the maximum exposure possible. If you have any further questions or would like any additional information, contact:
