

## **ANNOUNCEMENT**

The Oregon Horse Center is absolutely committed to the continuation of operations in the midst of the COVID19 pandemic. With that in mind, and the recent forced closure of several large facilities IN THE MIDST OF COMPETITIONS, we are implementing stricter requirements and enforcement of **OREGON LAWS** regarding masks and social distancing.

Unfortunately, to protect your show and the future of the Oregon Horse Center, concessions must be made to comply with the law and prevent the spread of COVID19.

We know this takes a lot of the fun out of horse showing, because horse showing isn't just about showing. It's about time with your barn family, shared meals, exhausted hilarity, and celebrating together, but the alternative is holding no shows at all.

## **NEW RULES**

- 1. MASKS MUST BE WORN AT ALL TIMES INSIDE THE BUILDING WHEN UNMOUNTED**
2. No setting up of chair circles or blocking the flow of traffic in aisles
3. No congregating

**Thank you for protecting the future of the Oregon Horse Center and our sport!!!**

Please note: A warning will be issued once. Repeat offenders will be asked to leave the premises.
